To Whom It May Concern:

We were married by Sherri Oliver with Ceremonies on the Shore on July 3rd, 2008.

Sherri has the ability and knowledge to match her services to your wishes. From very simple and intimate weddings to larger, more elaborate occasions, Sherri will work with you and make sure she understands your wishes. She is able to tailor your ceremony to your needs in a meaningful way.

Our ceremony was very simple and very private. Sherri took the time to understand this and what we wanted, and was always available to answer any questions or concerns. She made the process from start to finish very easy and stress free.

We would definitely recommend Sherri Oliver for your consideration to perform your Ceremony on the Shore.

Sincerely,
